Holiday Writing Workshop

Au Academy is currently enrolling for its three week writing workshop and holiday workshops. Students will learn to improve their writing for school assignments, school essays, the NAPLAN test, the Selective Test and the Scholarship test.

The workshop is suitable for Years 4 - 7 and will help students improve their essay and creative writing skills. Students will participate in writing challenges and will keep a journal of their work to bring home at the end of the workshop.

What Topics We Cover

- The Writing Plan / Essay Plan
- How to structure an effective essay
- The Four Types of Writing (Descriptive, Narrative, Exposition and Persuasive)
- Who is my audience?
- What is my tone?
- What is my context?
- Answering the question via characterising the question
- Writing Skills and Techniques

Why are we different?

Au Academy has no long-term contract or pay per term systems. We have an affordable pricing structure to meet almost any budget.

We provide a supportive learning environment and holistic approach to education from top educators. Our support learning style shows proven results.

What is the cost?

We provide a pricing structure that fits almost any budget. Please contact us below for details on tuition, time, content and structure.
