WEEKLY MOCK EXAMS & PRACTICE SETS

- “Practice with multiple-choice questions of any sort may help students to become familiar with test technique.”

- NSW Department of Education & Communities

- At Au Academy, we emphasise exposure to test questions, familiarity with test technique and thousands of questions designed to refine test skills and strategies.
- Lectures by experienced educators to analyse test questions and help students excel in Maths, English and General Ability.
- Fun & engaging lecture with homework targeting key knowledge and skills to increase students’ competency in the test.
